

You have to book into each event separately on ChurchSuite by going to www.ttoyl.co.uk/2020-events. We need to know who to expect and arrange the right level of supervision. Your parent will need to complete the enclosed consent form (a digital version can also be found on the above webpage).

We may have to limit attendance at each event to the first 30 who book (24 young people and 6 team members). So sign up quick!

By booking you're agreeing to keep all our Covid-19 safety guidelines. At all times you must follow our guidelines on social distancing, staying in small groups, washing your hands, and using hand sanitiser.

Please bring your own face covering to each event (not that you will have to wear it all the time).

We understand that some of you may think that strictly following safety guidelines is a pain. But we have to absolutely insist on this please. Kidz Klub as a charity could be in big trouble if our young people are seen to be ignoring the rules.

We reserve the right to send you home, phone your parents, and exclude you from other events in this programme if you don't respect the guidelines.

If a number of young people break the rules, we may have to cancel other events in this programme or seriously adapt them. So please don't ruin it for others.

We're very sorry but we can't provide transport for any of the events. It's just too risky still to use the minibus. You will have to get your own way there and back.

We have been able to subsidise the cost of all events. What we're asking you to pay is only a fraction of the real cost.

If it's going to be sunny, bring and wear sunscreen. You might want to wear a hat or cap too.

You will need to bring a packed lunch to some of the events. Read the programme details carefully.

The TTOYL leadership team have done all we can to minimise the risk of Covid-19 infection at our events. We have researched guidelines, followed expert advice, written risk assessments, and put procedures in place to give you the best and safest enjoyment.

Risk assessments have been written for each event. If you or your parents want to see them, you can view them on our booking website (www.ttoyl.co.uk/2020-events).

As all the events are outdoors, we may need to cancel at the last minute if it's raining. Please get the latest news by visiting www.ttoyl.co.uk/2020-events, or checking out our Facebook Page "THE TIME OF YOUR LIFE". We will also use the information you provide on the ChurchSuite booking system to send you an email and text-message.
